Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, and in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicants are submitting herewith copies of the references other than U.S. patents and U.S. patent publications listed on the attached Form PTO/SB/08A (modified) for consideration and request the documents cited therein be made of record by the U.S. Patent and Trademark Office in the above-captioned application.

Two of the cited documents were cited by the United States Patent and Trademark Office in the International Search Report and Written Opinion of the International Searching Authority dated July 11, 2005 for International Application No. PCT/US05/07201, which was filed on March 7, 2005. A copy of the International Search Report and Written Opinion of the International Searching Authority is enclosed herein.

Consideration of the foregoing plus the prompt return of a copy of the enclosed Form PTO/SB/08A with the Examiner's initials in the left column in accordance with M.P.E.P. § 609 are respectfully requested.

Applicants respectfully point out that the submission of the listed documents in this Information Disclosure Statement is not an admission that they are prior art or that they are

material to patentability of any claims of the application. Also, the submission of this Information Disclosure Statement is not an indication that a search has been made by Applicants.

For the convenience of the Examiner in considering the cited documents, a copy of each of the cited documents other than U.S. patents and U.S. patent publications is enclosed with this communication. In considering the cited documents, it may be noted by the Examiner that certain of the documents may contain markings, underlinings, and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the cited documents. Any such markings were either present on the copies of the cited documents obtained by the associated individuals, or were made thereon during the study of the documents by the associated individuals.

In accordance with 37 C.F.R. § 1.97(b), this Information Disclosure Statement is believed to be submitted prior to issuance of a first Office Action. Therefore, it is respectfully submitted that no fee is required for consideration of this information. However, in the event any fee is deemed necessary, the Commissioner is authorized to charge the undersigned's Deposit Account No. 50-0206.
